2021 ATS-PRO VG SERIES OUTDOOR 1:1 RATIO

State of the Art Live Event LED

The finest built Direct View LED Wall Systems

Absen is a public-listed Chinese LED Display manufacturer with a full line of standard LED Display solutions. Absen owns 80% of Taylorleds and manufactures most of Taylorleds LED Display products

For more than 15 years the staff at ATS-Professional has designed and built some of the most iconic indoor LED systems throughout the world with Pixel ranges from .83mm to 4mm in all sorts of sizes and shapes.

ATS-Professional is a direct designer and importer of OEM LED Panel designs. Our LED products are manufactured for ATS by some of the largest LED factories in the world.

We choose OEM factories based on the requirements of the project and each factory's unique capabilities to provide the finest solution for our customers based on our Engineering Build Requirements and Design.

With decades of experience dealing in OEM manufacturing and our Un-matched internal Design and Engineering, ATS-Professional introduces our newest and most advanced line of indoor LED systems.

Every facet of the Design has been meticulously thought out. Mechanical Design, Visual Electronics, Installation, Reliability, Service and Support, Multiple Resolutions and Media Playback Systems to fit any budget.

2021 ATS-PRO VG SERIES OUTDOOR 1:1 RATIO - MADE FOR ATS-PRO BY: **Taylorleds**

Pro Features
