WS PRO SERIES 2.6MM & VS SERIES 2.6MM XL

RED LION, PA - Living Word Community Church's chapel stage boasts an elegant enhancement with our WS 2.6mm models, featuring two side screens measuring 4.5m x 2.5m, complemented by versatile floor-stacking screens showcasing the VS 2.6mm XL model. This technology beautifully enriches the sacred space, especially during the festive Christmas season. We extend our appreciation to our esteemed partners at Taylorleds and STRAY Production Services for their invaluable collaboration.
