## WU PRO SERIES 1.5MM & 2.5MM

**CLEVELAND, OH** - Rocket Mortgage FieldHouse has enhanced fan engagement with our Taylorleds WU 1.5mm and WU 2.5mm screens, redefining the sports venue experience. From the Caesars Sportsbook to the bars, pavilion, and restaurant, every area is transformed with dynamic visuals, including a live scoring ticker banner. These six screens, setting a new standard for engagement, owe their success to our partners at PSX Inc.

Highlights include a 16' x 4.5' WU 1.5mm panel at the back bar and a 12' x 5.6' WU 1.5mm panel on the pavilion-facing wall. The impressive 67' x 1.13' WU 2.5mm panel spans the room as the dynamic ticker. Each center bar features a 16' x 4.5' WU 1.5mm panel, while the back wall hosts a 28' x 5.6' WU 1.5mm panel.
