## WG HD Series

Fixed Install Outdoor HD LED Panel.  
Multi-layered waterproof design.

WG HD SERIES 2.5mm, 2.8mm, 3.9mm

2024 WG HD SERIES FIXED OUTDOOR LED MADE FOR ATS-PRO BY TAYLORLEDS

## Masters in the Art of LED

Welcome to ATS-Pro, the exclusive U.S. distributor for Taylorleds. With nearly two decades of experience in the AV industry, I founded ATS-Pro to bring unmatched expertise and innovation to our clients.

Taylorleds, our esteemed partner, is an innovative joint venture with Absen, excelling in design, R&D, and quality control. Absen, a leading Chinese manufacturer, handles production, ensuring top-notch quality. Together, we present the most advanced LED systems, meticulously crafted for superior performance.

At ATS-Pro, our dedicated account managers, top-tier technical support, and industry thought leaders work tirelessly to help you master the art of LED technology. I invite you to explore our brochures and experience innovation at its finest.

Warm regards,

*Chris Pelzan*

# WG HD Series: High-Definition, Durable, and Weather-Resistant Outdoor LED Solutions

The WG HD Series builds upon the durable design of the WG Series, now offering high-definition clarity for outdoor signage, sports arenas, and advertising displays.

With updated pixel pitches, panel and module dimensions, the WG HD Series delivers sharper, more detailed visuals while maintaining the same robust, multi-layered waterproof construction. Specialized coatings on the modules, panels, and power boxes ensure long-lasting performance in any weather.

Designed for easy front and rear access, the WG HD Series simplifies installation and maintenance, making it a reliable, high-performing solution for outdoor environments.

# Install

Install can be either front or rear. Front: take out the four corner modules, and then fix the panel onto the steel structure. Rear: directly fix the panel onto the steel structure.

# Front & Rear Serviceable

Maintenance can be either front or rear.  
Front: take out the modules, and then  
access the power supply units; Rear:  
directly access the module and power  
supply units from the back.

## Two Standard Panel Sizes

500mm x 500mm panels and 500mm x 750mm panels available.

# Specifications

ATS-PRO WG HD Series LED panel shown. Additional frame sizes available.

Specifications	WG 2.5 HD	WG 2.8 HD	WG 3.9 HD
